

# SORGHUM U

*...a new event*  
for 2013

**Sorghum U** is designed to introduce grain sorghum to farmers looking for an alternative crop option, and accelerate the learning curve for farmers who are new to grain sorghum. Breakout sessions include:

**Water Management**  
**Sorghum Economics**  
**Sorghum Agronomics**  
**Sorghum Marketing Opportunities**

Come learn with experienced farmers and industry leaders how grain sorghum can contribute to the profitability of your operation.
