

# TEXAS A&M AGRI LIFE EXTENSION

## Xeriscaping in the South Plains

Are you interested in learning the best ways to be water wise in your landscape while maintaining curb appeal? Have you ever considered catching and using the rain that falls on your roof?

Saturday April 18, 2015

Time: 9:00a.m.-12:00, Doors open at 8:30am

Cost: \$10.00

Location: Texas A&M AgriLife Research  
& Extension Center 1102 East FM 1294,  
Lubbock, TX

*For more information call 806.775.1740*

Join rainwater harvesting and xeriscape design expert **Billy Kniffen** as he talks about how to turn your landscape in a beautiful xeriscape here on the South Plains!

Additionally, the **Lubbock Master Gardeners** and other local expert will be leading breakout sessions about water wise plant selection, water wise turf management, and redesigning your landscape. It will be a GREAT opportunity for you to ask questions specific to your home. Feel free to bring pictures of your landscape so we can better address your interests and situations!

Individuals with disabilities who require an auxiliary aid, service or accommodation in order to participate in Extension sponsored meetings are encouraged to contact the County Extension Office at 775-1740 by April 10 to determine how reasonable accommodations can be made.

*Educational programs of the Texas A&M AgriLife Extension Service are open to all people without regard to race, color, religion, sex, national origin, age, disability, genetic information or veteran status.*

*The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating*
