

# **Extend Your Growing Season !**

**Learn How with Lubbock Master Gardeners**

**Saturday, September 17, 2011**

**Lubbock Memorial Arboretum, 4111 University**

**9:30 a.m.—3:30 p.m.**

**Cost: \$40 Lunch included**

**Presenter: Russ Wallace, Ph.D. Extension Vegetable Specialist**

Learn how to grow cool season vegetables and extend the growing season for warm season vegetables by using high tunnels, low tunnels and cold frames. Dr. Wallace will demonstrate construction of a cold frame, and we will auction the cold frame at the end of the workshop. All proceeds benefit the educational programs of Lubbock Master Gardeners and the Lubbock Memorial Arboretum.
