SUBJECT: August 27- Lubbock County Extension To Host Late-Season Management Meeting & Field Tour

The Lubbock County Staff of Texas AgriLife Extension Service will be hosting an August 27th Late-Season Management Meeting and Field Tour at the Texas AgriLife Research & Extension Center Auditorium (1/2 mi E of I27 on FM 1294, Exit 11) from 1:30 to 3:30 p.m. Extension Specialists will provide updates regarding their current field trials, as well as late-season management suggestions regarding: cotton and sorghum production, insects, diseases, and weed control (including morningglory). After the update, we will view research plots near the Center.

This meeting will provide producers with a unique opportunity to hear from Extension Specialists regarding best management practices for crossing the finish line on the 2008 growing season. For more information contact the Lubbock County Office of Texas AgriLife Extension Service at 806/ 775-1680.
