“These clinics have been very successful in helping people of all ages acquire the skills needed to put the “competitive edge” on their side. Participants have gone on from these sessions and received immediate and rewarding results on local and national levels. These clinics are an excellent crash course on everything in the show cattle industry.”

- Kirk Stierwalt

Participants should bring:

Steer or heifer, chute, blower, clippers, chute & any supplies needed.

Registration fee covers one calf, meals and snacks for a family of four. Spectators may pay a daily fee of \$20 or all 3 days for \$50.
