

Rainwater Harvesting Conference

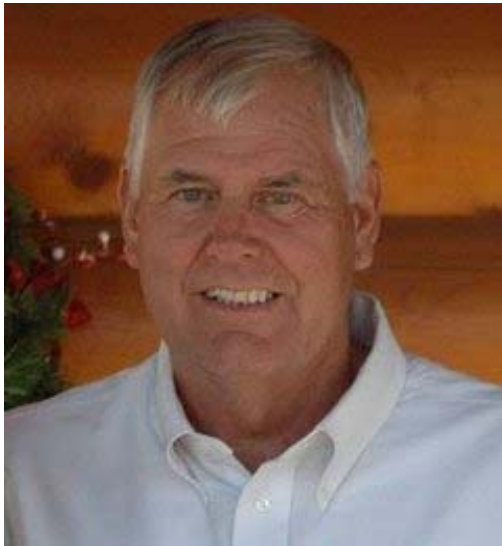

presented by Lubbock Master Gardeners, Texas AgriLife Extension, assisted by
High Plains Underground Water Conservation District and Lubbock Chamber
Water Conservation Council

Saturday, April 24, 2010

9:00-2:00

Texas AgriLife Research and Extension Center

1102 E. FM 1294

Topics for discussion include:

- Where the rain goes - the science behind rainwater harvesting,
- Watersheds and runoff
- Basic rainwater harvesting methods
- How to build a rain barrel

Speaker Billy Kniffen, Texas AgriLife Extension Water Resource Specialist and National Director of American Rainwater Catchment Systems Association.

Cost: \$30 for the general public, \$25 for Master Gardeners. Registration before April 17 includes lunch and all materials. Walk-in registration is welcomed but with no guarantee of lunch. Master Gardeners will earn 4 CEU's.
