Stored Grain Pest Workshop Lubbock Texas

Friday,
April 4, 2014

This Stored Grain Pest Workshop, sponsored and planned by the Lubbock County Texas AgriLife Extension Service and Great Plains Chemicals, will provide an update on the latest research, developments and technologies concerning the storage and utilization of grain products.

This workshop is designed to address the critical issues of economic competitiveness, and proper use of chemicals in the environment.

This workshop has been approved for 6.0 (3.0 IPM, 2.0 General and 1.0 Laws and Regulations) Continuing Education Units (CEUs) for those licensed under the Texas Department of Agriculture.

It has also been approved under Structural Pest Control for 5 (3 Pest Control, 1 Commodity Fumigation, and 1 Weed Control) Continuing Education Units (CEUs)

Individuals with disabilities who require an auxiliary aid, service or accommodation in order to participate in Extension sponsored meetings are encouraged to contact the Lubbock County Texas AgriLife Extension Service office at 775-1680 to determine how reasonable accommodations can be made.
