

## 4-H Clothing and Textiles Project Lubbock County - SPRING 2023

**Dear 4-H Family,**

Your child is invited to participate in the 4-H Clothing and Textiles Project. Not all 4-H clubs have clothing project groups meeting, therefore there are a variety of county-wide activities that have been planned. Youth must be enrolled through 4-H Online to participate in any of these activities.

### **What Is A Clothing and Textiles Project?**

A "Project" is a series of educational experiences that 4-H'ers may participate in for in-depth learning about a specific project area. The "Project" may be conducted in a couple of sessions or all in one day. If your club does not currently have a project group meeting, you may form your own project group or project activities may be done on an individual basis. Please let me know if you have any questions or need assistance in coming up with project activities.

A variety of clothing and textiles project resources and materials are available from the Extension Office. Please check these out from Ronda.

### **Opportunities**

There are several experiences a 4-H'er can participate in that go along with the project. These include tours, demonstrations, project tables, and news articles. These activities may be done as a group or as an individual. Just write it down so that you can keep up with what is done for the project record form.

### **What Can Parents Do?**

Parents can assist in many ways. Contact your project leader or club manager and ask them if there is anything that can be done to assist. Also, be timely in taking and picking up your kids from project meetings. You will also need to assist your children in preparing their entry for the Fashion Show, if they choose to participate.

### **Clothing and Textiles Objectives:**

4-H'ers will:

- develop self-confidence and poise by enhancing personal appearance.
- develop skills in wardrobe planning, selection, storage and care.
- develop skills in purchasing clothing and accessories.
- learn sewing skills by making clothing for themselves and others.
- understand fibers, yarns and processes for making fabric.
- explore careers in clothing, textiles, and related fields.
- develop skills in evaluating garments quality, fit and fashion interpretation.

### **PROJECT RECORD FORMS**

Project record forms may be completed at the end of any 4-H project. At least one form is required to be turned in to be eligible for year end project and year pins. These forms are filled out at the beginning, during and at the completion of any 4-H project. Forms may be picked up at any time at the Extension Office. This is an excellent way for 4-H'ers to begin developing their record-keeping skills. Completed forms are also used in compiling the 4-H Record Book. Please call if you have questions.

## COUNTY-WIDE WORKSHOPS

### “Beginner’s Sew Sessions”

For 4-H’ers who want to develop their sewing skills, we will be offering a series of “Sewing Workshops.” Projects take approximately 3-4 hours to complete. You may come as soon as school is out.

This year we will offer 4 different sewing projects, however 4-H’ers may only sign up for one weeknight session. Sessions are limited to six 4-H’ers per session, and are available on a first-come/first sign-up basis; an adult must also plan on attending with the 4-H’er. Adult’s are asked to attend in order to assist the 4-H’er (as well as possibly themselves) in learning to sew. Please do not bring additional family members to the workshop. 4-H’ers will leave with a completed garment. We will not be taking a dinner break, so you will want to bring your own snacks!

**Sign-up for sessions will begin on February 9, by calling the Extension Office at 775-1740 or emailing Ronda at: [rd-alexander@tamu.edu](mailto:rd-alexander@tamu.edu).**

Sign-up on the day before each workshop is required.

The finished garment may be entered in the appropriate category at the County Fashion Show for Junior and Intermediates; Seniors must complete an entire outfit in order to compete in the Fashion Show.

Sewing machines and sewing kits (scissors, pins/pin cushions, measuring tapes) are available for you to use, so you don’t have to go purchase these items; however if you want to sew with your own machine and supplies, please feel to bring your own. *There are some fabrics available to use for these projects at the Extension Office. Please contact Ronda to find out what is available prior to your workshop.*

### **4-H STORYBOARD CONTEST AND DESIGNER WORKSHOP**

The 4-H Storyboard is an industry-inspired method of displaying original designs. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations and flats, as well as additional materials (such as photos from the internet or magazines, paper, fabric, patterns, etc.) that have influenced the unique design.

The purpose of the Storyboard contest is to give

4-H members an opportunity to create a storyboard of their original design. It also provides the members an opportunity to gain knowledge of the career responsibilities of a designer and illustrator, enhance creativity and originality, and develop visual communication skills. For this year, there isn’t a theme. Use your own Original Inspiration!

We will have a TEAMS meeting on Monday, March 1 from 4:30-5:15 pm that will provide information on preparing a Storyboard. The presentation will be conducted by Hale County FCH Agent, Shawnte Clawson. Please contact Ronda by Tuesday, February 28 in order to receive the TEAMS invitation via email to participate (this can be done on a phone, computer or IPAD with internet access). Entries are now prepared digitally To learn more about 4-H Storyboards, you may want to visit the state website at:

<http://fcs.tamu.edu/clothing/4h/packet/index.php>.

**We will also have a county contest with entries due (submitted digitally) to the County Extension Office by Monday, March 27; all entries will then advance to District.** County awards will be presented during the County Fashion Show on March 30. For District, entries must be submitted virtually through 4-H Online between March 16 and April 6. Only one entry may be submitted for District.

### **DUDS TO DAZZLE**

The Duds to Dazzle competition utilizes the 4-H’ers knowledge and skills learned in the clothing and textiles project, while increasing their awareness of the impact of the clothing industry on the environment. In this competition, teams consisting of 3-5 4-H’ers, will redesign and repurpose discarded garments or textiles into a recycled product. The three categories include: wearable, non-wearable and accessory/jewelry. Teams compete as Juniors, Intermediates (may have combined junior and intermediate teams), and Senior teams.

Team members must furnish their own equipment kit for the competition (we do have some kits available for checkout on a first-come basis.)

The County Duds to Dazzle practice contest will be held on April 3 at 6 pm at the County Extension Office. County entry is due by March 20. Entries to participate at District are due between March 27 and April 10 on 4-H Online; The District Contest will be held on Thursday, April 13 at 9 am in Lubbock.
